Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report discloses one or more contributions that appear to exceed the limit set forth in the Act (see attached). No political committee other than a qualified multi-candidate committee may make contributions to a candidate for federal office in excess of \$2,600 per election. The Defenders of Freedom did not meet the requirements for qualified multi-candidate status as of the date the contribution(s) was made to your committee. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR § 110.1(b))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution(s) you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect
